LABScent

ABOUT

At 16, Nathalie discovered *Opium* by Yves Saint-Laurent, a life changing perfume which turn her vocation into an obvious way : she was to become a perfumer.

The Roure (now Givaudan) **perfumery school - Grasse** is the most prestigious perfumery school. Indeed, best perfumers were trained into this one in the worldwide perfumery capital city. In 1983, Nathalie, with her passionate and out-going character, was the first trainee without a perfumery family background to integrate this programme. At the time, new trainee came from Grasse only. Perfumery remained a family tradition, almost a guild.

At 25 in New-York, Nathalie's career takes off at Estée Lauder : She immersed herself in American style, energy, fun and "hooks". This cosmopolitan spirit enriched her and increased her artistic creativity.

Commercial brands and **alternative prestigious niche brands** like Etat Libre d'Orange (Putain des Palaces) or iconic brands like Hermès (Eau des Merveilles) and Cartier (Must for Men), are all dear to Nathalie. Nathalie has always loved creating for such a diversity of brands.

For over 35 years, Nathalie was a leading perfumer in major companies like Givaudan (1983-2008) and Symrise (2008-2014). Today, Nathalie is writing a new chapter as independent perfumer : freedom, 360° contact, sincerity and passion are again meaningful.

Montmartre is where she created LABScent and set her independent lab, in an ancient art gallery. Building on her international reputation and landmark perfume creations, Nathalie composes ever more creative scents for the most exclusive international niche brands in **America, Dubai, Russia and Europe** as well as more than 35 other countries.

Nathalie is a multi awarded women reconized internationally. Indeed, she received subsequently several awards for her creations, such as the **The perfumer of the year FIFI award** in 2019, **Exclusive Niche** for Nomenclature – fluo_ral in 2019, the price of **Best Newcomer** with the launch of the Sous le Manteau collection in 2020, the cosmétiquemag **Selective Distribution-Niche perfumery** bronze award for Burdin – Amoroso and the **Customer Choice - Niche Fragrance** FIFI Award with L'ORCHESTRE parfum - Electro Limonade in 2021.
